HEART for ATHLETES is bringing CPR/AED awareness to our area and making cardiac screenings available in local Mobile and Baldwin county high schools. Our goal is to prevent sudden cardiac death in our students.

THREE WAYS TO SUPPORT RIBS for HEARTS:

- Donate \$30 for one slab of Fired Up's famous tender brown sugar & honey smoked pork spareribs. Order extra and have a party or store in your freezer so that you can satisfy your next rib craving!
- \$100 business donation to offset cost of ribs. Your business will be recognized on the Heart for Athlete's website and at the event.
- Donate \$750 and have your own private Fired Up rib event! You will receive #25 slabs of ribs cooked at location and on date of your choice!

Order deadline: Wednesday, February 18th
